1<sup>st</sup> April 2016.

I was awake at 08:00, cleaned up and went for breakfast; everyone else came down one by one. I took Hanne some breakfast up to our room.

'H', Jan, Hanne and myself went on a Copenhagen sightseeing trip with Bjarne Fey, he works for the local government office. We had great trip to the City Hall, where we were welcomed with tea and the famous "City Hall Pancakes" in the office of Carl Christian Ebbesen, who is the Mayor of Cultural Affairs in Copenhagen. We went around the different departments meeting officials. Very interesting visit

Made our way to the gig to do our sound check. Had a fantastic sold out 50<sup>th</sup> anniversary show! Saw lots of friends. Some who had travelled from England and Germany! Mikael Helmuth (director of Oliver T) Soren Graversen, who was the musical director and keyboard player in the Oliver T band, was also there. We all had a few drinks in the hotel later. I was in bed by, 01:00.
