

11 CONTD. 2

DANIELS

(quickly)
Sorry.

As he leaves DANIELS notices CHARLIE with his full drum kit in the passageway outside.

RUSSELL

How's it going?

BARRY

Load of rubbish so far. Tell him.
Your name's Gene Krupa.

RUSSELL

Who?

DANIELS glances at his equipment.

DANIELS

Is that it?

RUSSELL

I thought you'd have some.

DANIELS

If we had a set of drums we'd still
have a drummer on the end of 'em,
wouldn't we?

RUSSELL looks at BARRY, entangled with ANGIE.

DANIELS

We need a drummer with a drum set,
that's all.

DANIELS points down the passage at CHARLIE sitting
with his sparkling new drum kit.

DANIELS (Cont'd.)

Like him.
