

36 CONTD.

PAUL

Pay you back?

DANIELS

Share and share alike.

PAUL

How come we always have to pay for your cock-ups?

DANIELS

Who else is going to pay?

CHARLIE

(OFF CAM)

How about The Undertakers.

CHARLIE nods towards the window as the UNDERTAKERS' hearse steams onto the forecourt outside and pulls up behind their car. DANIELS takes one look, then bolts for the Emergency Exit. The others follow as the UNDERTAKERS run towards the Entrance doors.

*pick lot at there*

37 EXT. MOTORWAY FORECOURT. NIGHT.

37

DANIELS tears across the tarmac towards their car, still jacked up as the MECHANIC fixes the last wheel in place.

DANIELS

Sorry, Mate. There you go.

He stuffs a fiver into the MECHANIC's hand, then jumps into the driving seat.

MECHANIC

But it's fifteen quid ...

DANIELS

Don't worry, keep the change!

The rest of the GROUP pile in as the UNDERTAKERS come racing out of the Cafeteria. DANIELS drives off, spinning the jacks in all directions, then heads for the open motorway.

38 INT. DANIEL'S CAR - TRAVELLING. NIGHT.

38

DANIELS drives at full speed, glancing up at the mirror as the UNDERTAKERS give chase behind.
