

CHARLIE

(to PAUL)

Are we trying that bit we were doing
the other night?

DANIELS

(quickly)

What bit?

PAUL

(casually)

Oh, just a riff I thought we'd use.

DANIELS

I'll let you know when we start
changing the act.

PAUL

Yeah, but we do the playing.

DANIELS

Look, while I'm up front I'll
say what it sounds like. Anyway it
won't be a problem because I got a
few solo gigs coming up.

BARRY

What about us?

DANIELS

You can stay at home and play riffs.

The door opens and RUSSELL pokes his head round the corner.

RUSSELL

Come on, they're ready.

DANIELS

When I'm ready!
