

73/4 INT. GRANADA - STAGE AND FLOOR. NIGHT

73/4

STOKER

(into Mike)
(holds up a pair of day-glo
green knickers)

Just found in the Gents.

STOKER's announcement causes a mild wave of laughter, attracting the attention of the CROWD to the stage. Holds them to his face.

STOKER

She can't be far off... they're still warm.

STOKER

(off CAM, continuing)

Come on now. Don't want no one catching cold.

PAUL slides towards him, still playing an instrumental filler. He whispers something in STOKER's ear.

STOKER

My mistake. He sleeps in 'em.

STOKER turns round and fires the elastic knickers at BARRY who blows him a kiss.

STOKER leads in a hard-hitting rock number.

STOKER

Over his head !

75 INT. GRANADA - DANIELS' TABLE. NIGHT

75

While the GROUP play their first offering, HARDING watches them with predictable indifference from DANIELS' table. The BAR GIRL comes over with the drinks.

BAR GIRL

Seventeen and six.

DANIELS

Put it on my slate, will you love?

BAR GIRL starts to walk away. DANIELS holds her arm with one hand as he fishes in his pockets. DANIELS looks distinctly embarrassed. He fishes about in his pocket and produces a handful of small change. HARDING observes his plight with a touch of sadism.
