

107B CONTD.

The GIRL tries to scream again, but this time one of the GANG grabs her from the front seat, locking his arm round her mouth.

DANIELS  
(trembling)  
What d'you want?

TERRY  
(calmly)  
We come visiting, Jack. Mind stepping out a moment?

DANIELS  
I said what d'you want?

TERRY  
(to RON)  
Fetch him out Ron, he's a ~~bit~~ shy.

107C (ex Sc. 104) EXT. DERELICT RAILWAY BRIDGE. NIGHT. 107C

TERRY stands back as RON and JOE haul DANIEL out into the night. They drag him naked to the edge of the Iron Bridge overlooking the railway lines.

TERRY  
~~Okay~~, where is it, Jack?

DANIELS  
(cowering)  
Where's what? What you talking about?

TERRY  
That bit of paper, what got stuck to your fingers the other day.  
(Pause)  
Mr. Harding's bit of paper. Where is it?

While RON holds DANIELS:

DANIELS  
What bit of paper? What you talkin' about?

JOE rummages through DANIELS' clothing and produces a roll of fivers.
