

116 CONT.

SEYMOUR slowly tears both photos to shreds. RUSSELL watches him in blank astonishment.

RUSSELL

What are you doing?

SEYMOUR

(matter of fact)

Where are the Coca-Cola's I asked for?

RUSSELL

I thought this was more important.

SEYMOUR

Then you were wrong.

RUSSELL

This involves the lot of us, not just you.. They're bleeding nutters.

SEYMOUR pauses a moment.

SEYMOUR

Yes, they are.. well, perhaps you're right. Perhaps you shouldn't be involved quite so much in future. I have a feeling the others would agree with me.

RUSSELL

What's that supposed to mean?
You're firing me, is that it?

SEYMOUR removes his wallet and starts counting out £10 notes.

SEYMOUR

I'm suggesting that you don't seem to be fitting in very well, do you?
But I think we must owe you something.

RUSSELL stares at the money.

SEYMOUR

Why not take it?

RUSSELL

Yeah, why not.
